

San Antonio Human Resource Management Association

ART EDGARIAN/CHARLES UMSCHIED SCHOLARSHIP AWARD

The Art Edgarian / Charles Umscheid Scholarship is awarded twice a year in recognition of Art Edgarian and Charles Umscheid who were two key SAHRMA contributors.

- Art Edgarian, former president of San Antonio Personnel Management Association (SAPMA – one of SAHRMA’s predecessors), was dedicated to developing the human resource profession and students. In addition to his efforts at SAPMA, Art made a significant impact at St. Mary’s University as the Director of Placement. As a result of his contributions, several students were able to locate that first “great job.”
- Charles Umscheid, a St. Mary’s graduate, valued student interaction with HR practitioners and participation in the HR profession. He was instrumental in establishing a program in our association that allowed college students to spend time on the job with human resource managers to gain “hands-on” experience. Charles was also responsible for establishing the first student chapter of the American Society for Personnel Association here in San Antonio.

A scholarship award of \$1000 dollars will be made to one highly-qualified student selected by a committee in both the Fall and Spring.

All candidates must meet the criteria outlined in the application form in order to participate. To be eligible, a completed application must be submitted to the Director of College Relations **March 31, 2107** for the Spring scholarship and by **October 31, 2017** for the Fall scholarship at student@sahrma.org.

Any questions can be directed to the College Relations Director at student@sahrma.org.
